THOMASVILLE, GA., October 1st, 1885.

TO THE FRIENDS OF PUBLIC LIBRARIES:

Allow us to call your attention to the claims of the Thomasville Library Association, now about ten years old. It has worked its way up to the ownership of a handsome building erected especially for a public library. It is self-sustaining, but we are anxious to increase our reading matter, both in books and periodicals. We have already 2,500 volumes on our shelves.

In addition to the fact that we have a considerable local field to benefit, the institution is somewhat cosmopolitan, since our town has become so popular a winter resort for almost the whole country. Your contribution may be the means of giving pleasure to some friend wintering here. In furtherance of our desire to add to our books and periodicals we will hold a Fair, on or about Nov. 15, 1885, and we respectfully solicit any contributions, in money or merchandise, you may see fit to make. We hope the cause may commend itself to your favorable consideration. Your contribution may be sent to Thomasville Library Association, care of the endorser of this letter.

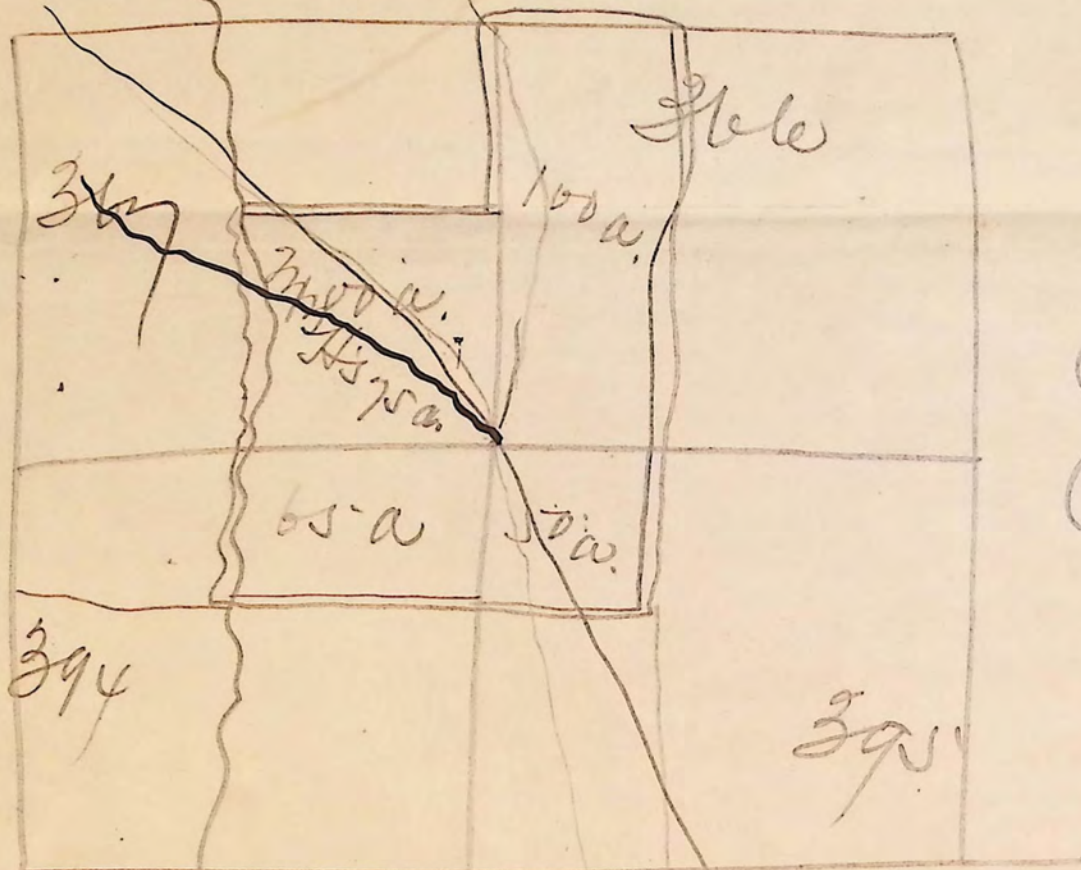

Handwritten signature or initials on the left margin.

Very respectfully yours,

BOARD OF DIRECTORS

THOMASVILLE LIBRARY ASSOCIATION.
